THE HIGHEST HONOR ATTAINED AT THE UNIVERSITY OF MIAMI

## A Message from the Chair

Members of the Tribe,

As the incoming Student Officers, we are incredibly excited to welcome you back to the 2023-2024 academic year! We truly hope that you have been able to enjoy some well-deserved relaxation and tranquility. We feel encouraged to reflect on the previous academic year and look hopefully towards this upcoming term. This newsletter is an opportunity to celebrate where we are and offer insight into where we would like to go!

Over the course of the last year, we have made substantial progress on improving the community's understanding of what Iron Arrow is, and the values that we stand for, as the highest honor attained at the University of Miami. Collaborative efforts with the Miccosukee Tribe of Indians, meaningful self-reflections as an organization, and dialogues with campus leaders, have resulted in a markedly better appreciation of Iron Arrow to our constituents. However, we acknowledge that this important work is ongoing, and we certainly commit ourselves to continue using compassion, open communication, and intention in accordance with our foundational pillars, to keep the flames of our Tribe ablaze.

For the upcoming year, we plan to strengthen partnerships with Student Affairs, increase our involvement across campus-wide events, reinvigorate nominations and tappings amongst undergraduate students, and implement several initiatives for University of Miami's Centennial celebration in 2026.

However, Iron Arrow is only as strong as its members. You represent the heart and soul of this organization, and your involvement is what makes our Tribe truly special. We encourage you to answer the call of service—whether that be attending in-person meetings and celebrations, sponsoring of the next class, volunteering for initiation, or making a gift.

Together, we can honor the tradition of what makes Iron Arrow an enduring legacy at The U! As we enter the unprecedented turn of the century, this is our moment to cement Iron Arrow alongside all the other insurmountable traditions at the University of Miami—for another 100 years and beyond.

Please stay connected throughout the year, there are many ways to be actively involved! You can always reach out to any of us if you have any questions or concerns about how to do so.

Yours in the Arrow,

# Iron Arrow® Honor Society - Officer Profiles

Joe Bonner is an incoming 4<sup>th</sup> year PhD student studying Exercise Physiology from Miami, Florida. Having earned both his bachelor's and master's degrees at "The U", he is honored to soon be a triple Cane! Joe has served within multiple leadership positions including the Student Trustee on the Board of Trustees, Graduate Student Associate (GSA) President, Chair of the Graduate Activity Fee Allocation Committee, GSA Faculty Senate Representative, and a Graduate Honor Council member. Joe also teaches courses on clinical applied physiology laboratory techniques (KIN 322), nutrition (KIN 150), and First Year Directions. His research focuses on two main areas: community wellness initiatives for adolescents and associations between physical fitness predictors, adiposity, and vascular markers of health. As the incoming Chair, Joe hopes to promote solidarity between the Iron Arrow Honor Society, University of Miami community, and other meaningful partnerships. Alongside the Council of Elder's, Faculty Advisor, and other Student Officers, Joe hopes to improve the Tribe's involvement within the University of Miami's yearly activities, increase undergraduate nominations and tappings, and strengthen collaborative connections with the local Miccosukee leadership.

Lizzie Hansel is a rising third year law student. She is particularly interested in environmental and housing law. She has interned with Dade Legal Aid, The Legal Aid Society of New York City, and is currently spending her summer as a Law Clerk in the Environmental Crimes Section of the Department of Justice in Washington D.C. On campus, Lizzie is a program assistant for the Environmental Law Program, a co-chair of the Public Interest Leadership Board, a Miami Scholar, and Symposium Editor of the University of Miami Law Review. Lizzie is excited and honored to serve this year as Treasurer of Iron Arrow. Becoming more involved in the campus community and ensuring the continuance of important traditions is something that she always strives to be involved in. She looks forward to welcoming the next set of members to the Tribe and ensuring its continued success and strength in the campus community.

Nat Torres is a second-year master's student studying Public Health on the Medical Campus from Miami, FL. She will soon be a double Cane in May 2024. During her undergraduate career, she served as a student assistant for the Department of Orientation and Commuter Student Involvement, Student Government's Category 5 Football Co-Chair, Homecoming Executive Committee Vice-Chair, Dean's Ambassador for the College of Arts and Sciences, and a President's 100 Student Ambassador. Post-grad, she has been working for the Department of Patient Experience at the Sylvester Comprehensive Cancer Center and recently moved to the UHealth Tower. Outside of campus life, Nat enjoys traveling and going to the beach whenever she has the chance. Tapped in Spring 2022, Nat hopes to strengthen collaborative connections across UM campuses and is excited to see what this incoming board will accomplish with the support of the members, Faculty Advisor and Council of Elders.

## Tribal Connection: Advancing The Arrow

With the support of our generous and committed Iron Arrow members, we look forward to making a notable impact for our beloved Alma Mater. As we prepare to celebrate 100 years of Iron Arrow, we are counting on YOU to Advance the Arrow! Below are ways you can help us make a difference. Visit these links for the [Iron Arrow Fund](#) or [David McDonald Iron Arrow Sophomore Leadership Award and Scholarship](#) to make a gift today!

### Iron Arrow Centennial Celebration (Iron Arrow Fund)

Shortly after the start of classes in 1926, Dr. Bowman Foster Ashe and nine of the first enrolled students at the University of Miami created the Iron Arrow Honor Society in partnership with the Seminole Tribe. Nearly 100 years later we prepare to celebrate our Centennial as the highest honor attained at the University of Miami. With your support, we will host an outstanding celebration in honor of our Alma Mater and Iron Arrow's success!

### University-Wide Event Sponsorships (Iron Arrow Fund)

Events like Orientation, Homecoming, and Greek Week are at the center of campus culture and tradition. We want Iron Arrow to be at the forefront of supporting campus-wide events and initiatives that create the traditions we know and love. Sponsorships will be administered by the Council of Elders and Officers.

### New Student Member Dues (Iron Arrow Fund)

Many generous members have reached out to support students who are tapped to Iron Arrow but are unable to pay the new member dues. As the highest honor attained at the University of Miami, we never want affordability to be a barrier for our student members. Please consider making a gift to cover the cost of a student's new member dues.

### David McDonald Sophomore Leadership Award and Scholarship

Created under the leadership of Chief Elizabeth Rodriguez, the endowed Sophomore Leadership Award and Scholarship honors a sophomore student who has demonstrated the characteristics of Iron Arrow early in their college career. Renamed in 2021 after the late David McDonald, we honor his legacy as a fierce advocate for our students. Currently, this one year award is for \$1000 that we aim to increase to \$5000 by the Centennial.

## Fall 2023 Luncheon Speaker: Dr. Alexis Martinez

We are honored to share that this year's Fall 2023 Luncheon Speaker will be Dr. Alexis Martinez (initiated Fall 2003). Alexis graduated from The U in 2001 with a bachelor's degree in business administration, with a focus on international finance and marketing and went on to earn her J.D. from Miami Law in 2004, followed by a master's degree in Higher Education Administration / Enrollment Management in 2006. After her time at UM, she also completed her Doctor of Education (EdD) in Higher Education Leadership and Policy at Vanderbilt University.

Alexis is currently the Executive Director for Equity and Compliance Programs and Interim Title IX Coordinator for The Georgia Institute of Technology (Georgia Tech). Having just celebrated the 50th anniversary of Title IX legislation in June of 2022, her commitment to equality within educational programs that receive federal funding is a testament to the substantial progress we have made as a society. She is on the Board for the Georgia Latino Law Foundation, as well as Committee on Virtual Programming for the National Association of College and University Attorneys. She previously served on the Executive Committee of the Student Services Section for the Association of American Law Schools.

During her time at UM, Alexis championed the five criteria of our organization as Chief of Iron Arrow for two terms (2004-2006), the only female Chief to have done so. She was one of the youngest Rathskeller Advisory Board Chairs in history, and a founding sister of her sorority, Zeta Tau Alpha. She was also a Mentor at Big Brothers/Big Sisters of Miami, and Vice President of Selections for the UM Circle of OΔK. She continued her service and leadership into her graduate career, serving as Treasurer of Miami Law Women, Chair Emeritus for Miami Law Orientation, Co-Advisor of Mortar Board, a HOPE Project Leader, and is a member of the Society of Bar and Gavel Honor Society. As a lifetime member of Omicron Delta Kappa, in 2021 she extended her service from the UM Circle to the national level by Serving as Chair of the 2021 National Leadership Conference and a member of the National Board with fellow IAs, Former Son of Chief, Peter Christiaans and former Chief Cynthia "Cie" Chapel. She was also a featured OΔK Member for the organization's 2022 National Hispanic Heritage Month celebrations.

Fittingly, Alexis' Tapping Luncheon speaker was none other than the beloved Audrey Finklestein, who, when asked why she was so committed to her alma mater and to keeping her fellow Hurricanes committed as well simply replied with seven words: "To know UM is to love UM." To say Alexis has taken those words to heart would be an understatement. When Iron Arrow ceremoniously tapped the UM Mascot, Sebastian The Ibis, and a jacket was needed, Alexis gave up her tapping jacket during her term as Chief, which, to this day, adorns the mascot costume during Homecoming. We are incredibly honored to have such a seasoned Iron Arrow member and proponent of higher education serve as this Fall's esteemed Luncheon Speaker!
